

CIC Forum
Consultation on the Dividend Caps and the Performance Related Interest Cap

Can Mezzanine, Old Street
3rd June 2009

The Social Enterprise Coalition 3rd CIC Forum will specifically focus on the issues raised in the CIC Regulator's Consultation on Dividend Caps and Performance Related Interest Cap. You can view the consultation [here](#).

The Forum will be an opportunity to share information and your experiences with both the Social Enterprise Coalition and with the CIC regulator. It will significantly inform the response made by the social enterprise movement to the consultation and the future needs of CICs.

The Forum will start with a short introduction from the CIC Regulator describing the consultation, followed by three rolling group discussions each covering all three main areas of importance to this debate:

- 1) the dividend cap,
- 2) the performance related interest cap
- 3) the asset lock.

All attendees will have the opportunity to discuss all three issues in groups facilitated by members of SEC staff. If you have any other issues that you would like to raise for this forum please contact: ewan.kennedy@socialenterprise.org.uk
