

SPONSORSHIP PACK

Help us celebrate businesses using their profits to address disadvantage, inequality and sustainability. Sponsor our awards to show stakeholders that your company is committed to a fairer, more equitable world.

ABOUT THE AWARDS

The Southbank Centre, Wednesday 26 November 2025

The UK Social Enterprise Awards are the country's biggest celebration of social enterprises recognising the best in the sector. They are a chance to showcase the incredible contributions made by businesses making a real difference in tackling social and environmental problems in the UK and around the world.

The Awards, hosted by Social Enterprise UK, and delivered in partnership with Social Enterprise Scotland, Cwmpas and Social Enterprise Northern Ireland, recognise the achievements of social enterprises across the country. It has grown in size and reputation each year.

This year we're moving the awards to London's most vibrant cultural quarter on the Thames, bringing together over **800 leaders** in social enterprise, big business and government at **the Southbank Centre's Queen Elizabeth Hall**. We're using as many social enterprises as suppliers to the event as we can, creating more social impact as we deliver an inspiring, memorable evening for our guests.
