

Social Enterprise UK **Gift Guide 2026**

**Gift Guide
2026**

Welcome to the 2026 social enterprise festive gift guide!
From tasty treats to sustainable fashion, you'll find
life-changing gifts from a range of businesses which
trade for a social or environmental purpose.

When you buy any one of these products, you'll be
amplifying the impact of these businesses, helping them
create jobs and opportunities where they're needed most
and use their profits to deliver for people and planet.

Buy social and give presents with purpose this Christmas!

Beeswax candle

Your purchase contributes to supporting honey bee health and providing beekeeping education to children across Liverpool.

£7.00

Last date for Christmas posting - 18th December.

[Link to product](#)

Wings & Radicles CIC

With beekeeping at the heart of everything we do, Wings & Radicles uses the craft of beekeeping to improve mental wellbeing. Profits are reinvested back into the business, to fund our "Wellness Through Beekeeping" initiative. We put beehives in schools across Liverpool and educate the next generation of beekeepers.

Upcycled sari rag tree

Our upcycled sari rag trees are made using upcycled sari waste, and carefully cut and crafted by women in India who have been trained in tailoring.

£36.00

Last date for Christmas posting - 13th December.

[Link to product](#)

Pri Pri Ltd

Pri Pri offers a colourful collection of handmade pieces using upcycled saris. Inspired by founder Priya's memories of sewing with her 'zero waste' grandmother, her designs are now made up by a charity in India that empowers underprivileged women through tailoring training, giving new life to fabrics while supporting women's skill development.

Be a part of the **social enterprise movement!**

There are around 100,000 social enterprises in the UK. Social Enterprise UK is the national voice for the social enterprise movement and leads the world's largest network of businesses with a social purpose, which includes all the organisations featured in this gift guide!

Together with our members, we work to create a fairer economy and a more sustainable future for everyone. We push for social enterprise solutions – showing government and other decision-makers the transformative impact of this movement, build the evidence base for the sector through our research, and drive cross-sector collaboration, working with private companies and public institutions to bring social enterprises into their supply chains - helping any organisation to create positive social and environmental impact.
